To,
Shubham Gujar,
Dreams Society,
Bhandup, Mumbai

Subject: Experience Letter

This is to certify that Mr. Shubham Gujar, a student of Third Year Computer Science VIIT, Pune has successfully completed project assistantship at our organization from January 2nd 2021 to April 7th 2021. This project was based on concepts of Predictive Maintenance in Data Science.

During the project tenure he demonstrated good design skills with a self-motivated attitude to learn new things. His performance exceeded expectations and was able to complete the project successfully on time.

We wish him all the best for future endeavors.

Rutuja Udyawar
